

SUPPORT MATTERS!

NEW & IMPROVED!

Multi-Ply 6500 Dynamic Elite

LONG TERM CARE PRESSURE REDISTRIBUTION FOAM MATTRESS

Committed
TO QUALITY

Specifically engineered for pressure redistribution, shear reduction and skin protection, the Dynamic Elite variable density sleep system includes unique combinations of latex free foam.

FEATURES

- Full width gel infused, open cell visco elastic foam top layer dissipates heat providing a cool and dry environment to help preserve skin integrity
- Heel slope offloads pressure from vulnerable heels
- Removable premium, multi-stretch cover is fluid resistant, low shear and vapor permeable helping protect the skin from friction and moisture
- Full length horizontally scored articulation cut bottom layer extends the durability and life of the mattress
- Meets flammability standard CFR 1632 and 1633
